Re: Ground Water Permit No. G3-28630

Dear Mr. Hochstatter:

In response to your request, your extension of July 21, 2010 is amended and you are hereby granted an extension to complete construction for the reason(s) below:

- Complete full build-out of the original project and install a source meter on the well(s).

The new deadline to submit your *Construction Notice* is **December 1, 2015**. The following provisions shall apply.

The water appropriated under this application will be used for public water supply. The State Board of Health rules require public water supply owners to obtain written approval from the Office of Water Supply, Department of Health, 1112 SE Quince Street, PO Box 47890, Olympia, Washington 98504-7890, prior to any new construction or alterations of a public water supply system.

An approved measuring device shall be installed and maintained for each of the sources identified by this water right in accordance with the rule "Requirements for Measuring and Reporting Water Use", Chapter 173-173 WAC.

Water use data shall be recorded **bi-weekly**. The maximum rate of withdrawal and the annual total volume shall be submitted to Ecology by January 31st of each calendar year during development of this permit.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the "date of receipt" of this document. Filing means actual receipt by the Board during regular office hours.
- Serve your appeal on the Department of Ecology within 30 days of the "date of receipt" of this document. Service may be accomplished by any of the procedures identified in WAC 371-08-305(10). "Date of receipt" is defined at RCW 43.21B.001(2).
